CONSENT ORDER

The Court, having considered Plaintiff's Motion for Consent Order filed on 10/21/2009 and submitted pursuant to Sections V(E)(4) and VI(C) of the Scheduling Order Governing Adjudication of Irrigation Water Rights in the La Plata Section, regarding the Defendant(s)' named above (hereinafter referred to as "Defendant" for both single and plural Defendants) right to divert and use the waters of the San Juan River Stream System, as set forth below, FINDS:

1. The Court has jurisdiction over the State, the Defendant, and the subject matter of this suit.
2. The water right adjudicated pursuant to paragraph 5 of this Consent Order is part of a water right previously adjudicated in *Echo Ditch Company, et al. v. The McDermott Ditch Company, et al.*, San Juan County District Court, Cause No. 01690 (April 8, 1948). This Consent Order fully and exclusively adjudicates all the elements of the water right(s) described herein.
3. The Defendant has failed to sign or reject the proposed Consent Order after the State mailed a Settlement Package containing the proposed Consent Order to the Defendant. The Defendant's

acceptance of the Consent Order is implied due to the Defendant's failure to respond to the State's Proposed Consent Order. The Defendant is now therefore presumed to have accepted the Court's findings and to agree to all elements of Defendant's right to divert and use the public waters of the San Juan River Stream System, as set forth in Paragraph 5 of this Consent Order.

4. The State has determined through the hydrographic survey that Defendant has no other claims to water rights in the La Plata Section except those adjudicated by this Consent Order and the following claims, which are expressly identified herein below and reserved for later adjudication by the Court:

b. List any other excluded claims:

5. There is no just reason for delay of final judgment as to the claims adjudicated by this Consent Order. Therefore, except as may be expressly excluded from this Consent Order and reserved for later determination, pursuant to Rule 1-054(B), NMRA (2004), this Consent Order constitutes a final judgment, as between the State and Defendant, of all claims for water rights of the Defendant in the La Plata River Section:
