Case No. AF-01-511
Subfile No. SJLP-006-0024A

ORDER AMENDING IMPLIED CONSENT ORDER

The Court, upon its own motion, and being fully advised in the premises, hereby amends the Implied Consent Order entered into the court record on September 28, 2009 in the name of GERALD J. AND PATRICIA A. GONCZ TRUST, hereinafter "Defendant." Consent of the parties was implied after Defendant failed to sign or reject the proposed Consent Order sent to Defendant by the State of New Mexico, as described in Section V(E)(4) of the Scheduling Order Governing Adjudication of Irrigation Water Rights In the La Plata River Section, "Party-Claimant Fails to Respond; Acceptance Implied." Paragraph four (4) of these orders states:

Defendant represents that Defendant is the sole current owner of the water rights adjudicated herein, and that Defendant has no other claims to water rights in the La Plata Section except those adjudicated by the Consent Order and the following claims, which are expressly identified herein below and reserved for later adjudication by the Court:

Dkt

Recognizing that consent of Defendant in the order is implied, and Defendant did not make any representations in the course of the Consent Order process, the Court therefore ORDERS that paragraph four (4) be amended to state:

The State has determined through the hydrographic survey that Defendant has no other claims to water rights in the La Plata Section except those adjudicated by this Consent Order and the following claims, which are expressly identified herein below and reserved for later adjudication by the Court:

This amendment clarifies that Defendant made no representations in response to the Consent Order mailed to Defendant by the State of New Mexico. Except as provided in this Order, all other elements of the water right remain as stated in the September 28, 2009 Order and subsequent orders of the Court.
