You are hereby notified that the State of New Mexico ("State") has filed a water rights adjudication lawsuit in the Eleventh Judicial District of New Mexico, San Juan County, pursuant to NMSA 1978, §§ 72-4-15 through 72-4-17, under the caption and case number shown above. The purpose of this lawsuit, referred to as the "San Juan Adjudication," is to identify and determine all rights to use the surface and underground Waters of the San Juan River Stream System within the State of New Mexico, which includes all tributary rivers of the San Juan River within New Mexico. The Court is proceeding on a river-by-river basis and is currently determining all rights to divert water from the La Plata River, or from a well, to irrigate land within the La Plata Section. The Court is conducting the adjudication in accordance with its April 30, 2006 Scheduling Order Governing Adjudication of Irrigation Water Rights in the La Plata Section ("Scheduling Order"), which imposes deadlines, detailed adjudication procedures, and filing requirements. A copy of the Scheduling Order and other pertinent information may be obtained from the Court's website at http://www.11jdc.com/modules/inlinecontent/?id=79 or by contacting the State's Attorney identified below. If you have not already been served in this adjudication, you are required to appear before the Court and describe what rights, if any, you claim to use the waters of the La Plata River. Unless you file a responsive pleading or Notice of Claim ("NOC"), which you may obtain from the Court's website, with the Court within sixty (60) days after the last date this Notice is published, any right you may have to use the waters of the La Plata River may be adjudicated by default judgment to the original or revised findings of the State Engineer's 1938 Hydrographic Survey Report. The default judgment may include a determination that the claimant has no lands with appurtenant irrigation water rights within the La Plata Section and/or no right to divert surface water or underground water for irrigation within the La Plata Section. Questions about the San Juan Adjudication can be directed to the Office of the State Engineer's attorney, Tracy Hofmann, at 505-827-6150.

WITNESS the hand and seal of the Eleventh Judicial District Court, County of San Juan, State of New Mexico, this 29th day of December, 2009.
